Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending

to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or

persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make

such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,

Clerk of the Legislative Assembly
of Ontario.

TREASURER'S SALE OF LANDS FOR TAXES
TOWNSHIP OF STISTED

To Wit:
BY VIRTUE OF A WARRANT issued by the Reeve of the Township of Stisted, bearing date February 16th, and to me directed, commanding me to levy on the several lands being in the Township of Stisted mentioned and described in the following list of arrears respectively due thereon and costs, I hereby give notice, pursuant to The Assessment Act and amendments, that unless the said arrears of taxes and costs are sooner paid, I shall on Friday, September 6th, at the Township Hall, Ashworth, at one thirty o'clock, proceed to sell by public auction as much of said lands as may be sufficient to discharge the taxes and lawful costs incurred in and about the sale and collection of same.

Dated at Aspdin this 25th day of May, 1946.
GEORGE DARLING, Treasurer,
Township of Stisted, Aspdin.

The current taxes will be added the day of sale.

Adjourned sale, if any, will be held at the same time and place one week later, when it is the intention of the Council to purchase such lots as do not bring taxes and costs.

TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES

COUNTY OF BRUCE

To Wit:

BY VIRTUE OF A WARRANT issued under the hand of the Warden of the County of Bruce and the Seal of the said County, bearing date the 18th day of June, A.D. 1946, and to me directed, commanding me to levy upon the several parcels of land hereinafter described for the arrears of taxes respectively due thereon, together with all costs incurred, I hereby give notice that, pursuant to The Assessment Act, R.S.O., and Motion 125 of the January Session, 1934, of the County Council of the County of Bruce, designated "A Motion to Divide the County of Bruce into two Districts for the purpose of Tax Sales of Lands", I shall, unless such arrears are sooner paid with charges, proceed to sell by public auction so much of the said lands as may be necessary for the payment of the said arrears of taxes, costs and charges thereon, or the whole of said lands to the highest bidder, at the following mentioned time and place for each of the Districts mentioned in the aforesaid Motion:

FOR THE LION'S HEAD DISTRICT, at the hour of one o'clock p.m., at the Township Hall of the Township of Eastnor, in the Village of Lion's Head, on Tuesday, the 8th day of October, A.D. 1946.

FOR THE WALKERTON DISTRICT, at the hour of ten o'clock a.m., at my office in the County Buildings in the Town of Walkerton, on Friday, the 11th day of October, A.D. 1946.

Adjourned sales will be held at the same hour and place two weeks later, at which time the Municipalities interested will be permitted to bid.

Copies of the list of lots to be sold may be obtained at the County Treasurer's Office at Walkerton, Ontario.

This list is published in THE ONTARIO GAZETTE on the 6th day of July, A.D. 1946, and in the Warton Echo, commencing the 4th day of July, A.D. 1946, and continuing for thirteen issues in all prior to the sale.

Treasurer of the County of Bruce.

TREASURER'S SALE OF LANDS FOR TAXES

COUNTY OF PETERBOROUGH

To Wit:

BY VIRTUE OF A WARRANT made under the hand of the Warden and Seal of the County of Peterborough, and to me directed, bearing date 8th day of June, in the year of our Lord One Thousand Nine Hundred and Forty-six, I am commanded, under the authority of the Statutes in that behalf, to levy on the land hereinafter mentioned and described, for the arrears of taxes due thereon, with the costs as hereinafter directed by the said Act. Therefore I give notice that, unless the said arrears and costs are sooner paid, I will proceed to sell by public auction at the Court House, in the City of Peterborough, on the eighth day of October, 1946, at the hour of ten o'clock in the forenoon, the said lands or so much thereof as may be necessary for the taxes, and all lawful charges incurred, in and about such sales, and the collection of the taxes.

A list of lands for sale for arrears of taxes will be published in THE ONTARIO GAZETTE on Saturday, July 6th, 1946. Copies of the list of lands for sale may be had in my office.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to

the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of

an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each

such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are neces-

sary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

JULY 13th, 1946

THE INDUSTRIAL STANDARDS ACT

O. Reg. 76/46.

New.

Carpentry Industry—Sarnia zone.

Approved—June 25th, 1946.

Filed—June 29th, 1946, 8.45 a.m.

Order-in-Council approved by The Honourable the Lieutenant-Governor, dated the 25th day of June, A.D. 1946.

WHEREAS under *The Industrial Standards Act* the Minister has designated all work usually performed by carpenters and joiners in connection with the construction, erection, repair, remodelling or alteration of the whole or a part of a building or structure, except maintenance repairs to the building and premises used in the operation of a manufacturing, industrial or service institution, including the minor installations or alterations incidental to the maintenance of the buildings and premises, where performed by the regular employees of the manufacturing, industrial or service institution, as the CARPENTRY INDUSTRY for the purposes of the Act:

AND WHEREAS the Minister has designated the City of Sarnia and the suburban area lying adjacent thereto and lying within a line drawn as follows: commencing at the intersection of the road allowance between the Townships of Plympton and Sarnia or said road allowance produced northerly with the southern shore of Lake Huron, thence southerly along the said road allowance, to and extending westerly along the road allowance between the Townships of Sarnia and More, to and extending westerly along the road allowance between the Township of More and the Sarnia Indian Reserve, to and extending in a general northern direction along the shore of the St. Clair River, to and extending easterly along the shore of Lake Huron to the place of commencement, as a zone for the industry to be known hereafter as the SARNIA ZONE:

AND WHEREAS a petition from representatives of employers and employees in the industry within the Sarnia Zone was received by the Minister, who thereupon authorized an industrial standards officer to convene a conference of the employers and employees in the industry in accordance with and for the purposes of section 6 of the Act:

AND WHEREAS the conference was duly held and has submitted to the Minister in writing a schedule pursuant to section 7 of the Act:

AND WHEREAS the schedule has been approved by The Industry and Labour Board in writing:

AND WHEREAS the schedule has been approved by the Minister of Labour who is of the opinion that it has been agreed to by a proper and sufficient representation of the employers and employees engaged in the industry within the zone.

Upon the recommendation of the Honourable the Minister of Labour, the Committee of Council advise that your Honour declare the Schedule, appended hereto, shall be in force during pleasure within the zone and shall be binding upon the employers and employees in the industry referred to in the schedule.

THE PUBLIC HEALTH ACT

O. Reg. 79/46.

New.

Frosted-Food Locker Plants.

Approved—June 25th, 1946.

Filed—July 2nd, 1946, 3.00 p.m.

REGULATIONS MADE BY THE MINISTER UNDER THE PUBLIC HEALTH ACT

FROSTED-FOOD LOCKER PLANTS

INTERPRETATION

1. In these regulations,—

- (a) "chill room" shall mean a refrigerated room in which food is chilled or aged before being sharp-frozen and placed in a locker;
- (b) "Director" shall mean the Director of the Sanitary Engineering Division of the Department of Health, or any other person designated by the Minister to act for him;
- (c) "food" shall mean food for human consumption;
- (d) "locker" shall mean an individual section or compartment for the storage of food in a locker plant;
- (e) "locker plant" shall mean any premises in which space in individual lockers is rented or otherwise made available for the storage of frozen food, and which has facilities for the preparation for storage of the food;
- (f) "sharp freeze" shall mean the rapid freezing of food in a room or compartment specially designed and equipped for rapid freezing; and
- (g) "operator" shall mean a person who, by himself or his agent, owns or operates a locker plant.

LICENCE

2. No person shall maintain or operate a locker plant unless he is the holder of a licence therefor issued by the Minister under these regulations in form 1, upon application therefor in form 2.

3.—(1) An application for a licence shall,—

- (a) be in writing; and
 - (b) be accompanied by the licence fee.
- (2) The licence fee for a locker plant shall be \$4.00.

4. The Minister may issue a licence upon,—

- (a) receipt of the prescribed application;
- (b) compliance with the provisions of these regulations; and
- (c) receipt of the prescribed fee.

5. A licence shall,—

- (a) apply only to the locker plant specified therein;
- (b) expire on the last day of the year in which it is issued; and
- (c) be transferable only with the approval of the Minister.

6. The Minister may upon payment of the prescribed fee renew any licence if the locker plant complies with these regulations.

7. The Minister may suspend or revoke any licence if the locker plant does not comply with these regulations.

INSPECTION OF LOCKER PLANTS

8. Every operator shall permit the Director or any other person designated by the Director to have access to and to inspect the locker plant at all reasonable times.

ESTABLISHMENT OF LOCKER PLANTS

9. No person shall establish, erect, reconstruct, alter or enlarge a locker plant except in conformity with these regulations.

CONSTRUCTION OF LOCKER PLANTS

10. A locker plant shall,—

- (a) be located in a place free from any objectionable conditions including smoke, fumes, dust, odours, flies and any conditions which might injuriously affect food, and shall have ready ingress to and egress from every building;
- (b) be free from conditions which might injuriously affect the efficient operation of the plant or the products stored therein;
- (c) be constructed and finished in such manner that it may be maintained in a clean and satisfactory condition;
- (d) be provided with refrigeration facilities adequate to maintain the temperatures prescribed by these regulations; and
- (e) be well lighted.

11. Every locker plant shall contain the following rooms:

- (a) a sharp-freeze room or compartment;
- (b) rooms and facilities for cutting, preparing and wrapping food;
- (c) a chill room for chilling or cooling carcasses in plants where freshly killed carcasses are accepted;

- (d) toilet rooms for employees;
- (e) dressing rooms for employees; and
- (f) such other accommodation as may be prescribed by these regulations.

12.—(1) The interiors of locker plants shall be of such construction that they can be maintained in a clean and sanitary condition.

(2) All walls and ceilings of rooms in which food is prepared or stored shall be finished with a material which is impervious to moisture and which may be readily cleaned.

13. The public entrance to the locker room shall not open directly to the outside of the building but a waiting room or vestibule shall be provided.

EQUIPMENT OF LOCKER PLANTS

14. Every locker plant shall provide at least 200 lockers of standard size, containing not less than 6 cubic feet each or storage space of at least 1200 cubic feet.

15.—(1) The lockers shall be so constructed as to protect the contents from contamination, deterioration, injury or rodents.

(2) Lockers with perforated bottoms shall be provided with suitable liners or trays of unperforated material.

16. All chill rooms shall be equipped with sanitary hangers spaced so as to prevent the carcasses from coming into contact with each other or the walls of the rooms.

17. Sufficient wall shelves shall be provided so that no articles or containers are left on the floor.

18. Metallic drip pans shall be used where necessary to collect drip.

19.—(1) Every locker plant shall be equipped with at least one gas mask suitable for use in an atmosphere contaminated by such refrigerants as are obnoxious.

(2) The gas mask shall be kept in a readily accessible place.

20. Every locker plant shall have available a supply of water adequate for the efficient operation of the locker plant, the quality of which is satisfactory to the Director.

MAINTENANCE OF PLANT AND EQUIPMENT

21.—(1) The premises, surroundings and all rooms of locker plants shall at all times be maintained in a clean and sanitary condition.

(2) All equipment and utensils used for handling food shall be of such material and so constructed that they may be easily and thoroughly cleaned.

22. All equipment and utensils shall be cleaned before being put to use and at the end of each day's use, and shall be kept in a sanitary condition at all times.

23. Lockers shall be thoroughly cleaned before they are rented or otherwise made available to patrons.

24.—(1) All food shall be protected against filth, flies, dust, dirt, insects, vermin, rodents and any contamination or foreign substances.

(2) All openings to the outside of the locker plant shall be effectively screened from May 1st to November 1st, and all openings between rooms shall be equipped with full-length, self-closing, tight-fitting doors.

25. No person shall,—

- (a) accept or store in any locker plant decomposed or spoiled food; or
- (b) store food in such condition or in such manner as to cause injury to or deterioration of food in an adjacent locker.

26. Where the Director or any person designated by him or the medical officer of health finds any spoiled food in a locker plant he may order the operator to have it removed.

27. An operator shall promptly remove from the premises and dispose of, in a sanitary manner, spoiled food or waste or offal incidental to the cleaning, storing or preparation of food for storage.

28. No person shall use tobacco in any room where food is processed or stored.

29. No person shall,—

- (a) use as a living room or sleeping room, or
- (b) permit any dog or cat or any live animal to enter,

any room used for the preparation, processing, storage or display of food.

30.—(1) All waste and drainage from the operation of any locker plant shall be disposed of in a sanitary manner.

(2) Refuse shall not be permitted to accumulate in the plant or on or near the premises except in properly covered containers or receptacles, which shall be emptied frequently.

ACCESS TO LOCKERS

31. The operator, medical officer of health or Director or any person designated by him may enter any locker for the purpose of inspection.

32. No patron of a locker plant shall,—

- (a) enter a locker rented to another patron, or
- (b) handle any food belonging to another patron,

unless so authorized by the other patron.

FOOD OTHER THAN FOOD FOR HUMAN CONSUMPTION

33. No food or substances other than food for human consumption shall,—

- (a) be stored in the chill room, sharp-freeze room or compartment, or locker room of any locker plant; or
- (b) be permitted to come in contact with the equipment used for processing food for human consumption.

PLANT PERSONNEL

34.—(1) Every person whose work brings him into contact with food during its manufacture, preparation, processing or storage shall,—

- (a) be clean;
- (b) wear clean washable outer garments and suitable cap or other head covering for his work only;
- (c) be free from and not a carrier of any disease which may be spread through the medium of food;

(d) satisfy the medical officer of health of the municipality in which the locker plant is situated as to his freedom from the diseases mentioned in clause c; and

(e) submit to such examinations and tests as the medical officer of health or the Minister may require.

(2) No person shall work in a locker plant who,—

(a) has any communicable skin disease or infected wound; or

(b) resides in a house where communicable disease exists;

unless he has obtained a certificate from the medical officer of health.

35. Every person engaged in handling food shall avoid contact with any substance that might contaminate the food.

SANITARY FACILITIES FOR EMPLOYEES

36.—(1) Every locker plant shall, for the use of the employees, be equipped with,—

(a) washing facilities, conveniently located and provided with adequate soap and hot and cold water;

(b) clean towels of such kind and quantity that not more than one employee shall use the same towel;

(c) adequate dressing rooms, separate for each sex, where employees may change and store their clothing in clean and sanitary condition; and

(d) as many toilet rooms, separate for each sex, as may be necessary and which comply with the provisions of subregulation 2.

(2) Every toilet room shall be,—

(a) conveniently located without direct access to any room in which foods are prepared, processed, chilled, frozen or stored;

(b) equipped with full-length doors;

(c) properly equipped with sanitary facilities; and

(d) provided with adequate ventilation and lighting.

(3) Where privies are used they shall be separated from any other building, be fly-tight and equipped with self-closing doors.

(4) All toilet and washing facilities and the rooms in which they are placed shall be kept clean and sanitary and in good repair.

INSPECTING, PREPARING, WRAPPING AND IDENTIFYING OF STORED FOODS

37. Before being placed in a locker for storage, all food shall be,—

(a) inspected by the operator;

(b) wrapped or packed as prescribed by regulation 40;

(c) identified by marking the wrapped package with the patron's locker number and date of wrapping;

(d) processed as prescribed by regulation 40; and

(e) sharp-frozen.

38. Upon receiving any fresh carcasses of meat, every operator shall,—

(a) tag or stamp the carcass for identification;

(b) cause the carcass to be suitably cleaned; and

(c) place the carcass in the chill room for at least twenty-four hours and such further period of time as may be required for the carcass to cool.

39. When applying marks directly to food every operator shall use only non-toxic ink or other harmless substance.

40.—(1) All meat before being frozen shall be wrapped in water-resistant paper.

(2) All fish, before being stored in any locker, shall be eviscerated properly, frozen and wrapped or glazed, and shall be so handled as to protect equipment and other stored food from fish flavours and odours.

(3) All vegetables, before being frozen, shall be cleaned, blanched and immediately thereafter cooled with cold water and packed in suitable containers for freezing.

(4) All fruits, before being frozen, shall be cleaned or washed and packed in suitable containers for freezing.

41. Liquids shall be placed in waterproof containers in order to protect other locker contents from damage in case of breakage or spoilage.

TEMPERATURES REQUIRED

42. The refrigeration equipment for a locker plant shall be provided with accurate and reliable controls for the automatic maintenance of uniform temperatures as required in the different refrigerated rooms, and shall be of adequate capacity to provide, under extreme conditions, the temperatures in the different rooms as prescribed herein.

43.—(1) The following temperatures shall be maintained in each of the rooms mentioned hereunder:

(a) chill room—32 to 42 degrees Fahrenheit above zero degrees,

(b) sharp-freeze room or sharp-freeze compartment—

(i) 10 degrees below zero Fahrenheit or lower, or

(ii) zero degrees Fahrenheit or lower when rapidly moving forced air circulation is employed;

with a tolerance of 10 degrees Fahrenheit for a reasonable time after unfrozen food is placed therein for freezing.

(c) locker room—not above zero degrees Fahrenheit with a tolerance of plus 5 degrees Fahrenheit for reasonably short periods.

(2) The temperatures prescribed by subregulation 1 shall not be construed to prohibit such variations as may be necessary during the short periods of time required for de-frosting operations.

THERMOMETERS

44.—(1) Every refrigerated room in a locker plant shall be provided with a direct-reading thermometer of known accuracy.

(2) The sensitive bulbs of thermometers in refrigerated rooms shall be placed not less than 5 feet from any door or cooling unit, nor less than 5 feet above floor level, and in such location that the average temperature of the room will be registered.

(3) Every locker room in a locker plant shall be provided with a self-recording thermometer.

(4) The indicating or recording mechanism shall be placed where it can be conveniently observed by the patrons, outside the locker room.

45. The charts or temperature records of thermometers shall be changed each week, properly dated, signed by the operator and shall be preserved at the plant for a period of at least one year, unless requested by the Director within that time.

46. The self-recording thermometer shall meet the following specifications:

- (a) the scale range of the instrument shall be at least from 10 degrees Fahrenheit below zero to 40 degrees Fahrenheit above zero;
- (b) the temperature represented by the smallest scale division on the chart shall be 2 degrees Fahrenheit or less;
- (c) the accuracy of the thermometer shall be within one degree plus or minus at zero degrees Fahrenheit;
- (d) the pen movement over 5 degrees Fahrenheit must not be less than 1/8 inch;
- (e) the pen-arm device shall be designed to give a line not to exceed the space representing 1 degree Fahrenheit on the chart;
- (f) the chart shall make one complete revolution in seven days, shall be graduated hourly and daily and shall be not less than 8 inches in diameter;
- (g) the lowest temperature reading shall be recorded on the outer edge of the chart; and
- (h) the chart rotating device shall be fitted with perforating pins preventing rotation of the chart except by means of the clock in the case.

47. The case for the thermometer shall be locked when the thermometer is in use.

48.—(1). Every operator shall keep an accurate record of,—

- (a) the name and address of each patron renting a locker or storing food;
- (b) the period for which each locker is rented, the charge therefor and the payments made thereon; and
- (c) the name of every patron who is engaged in the selling of food.

(2) The records mentioned in subregulation 1 shall be open for inspection by the Director or any person designated by him.

49. Every patron who is engaged in the sale of food shall declare this fact to the operator.

SIGNAL

50. Every locker room shall be equipped with a noise instrument, placed in a satisfactory location for operation from within the locker room.

51. These regulations shall come into force upon the tenth day after publication in THE ONTARIO GAZETTE under *The Regulations Act, 1944*.

Application to Parliament**Private Bills**

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to

the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day, which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in

a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

BENJAMIN MOORE & CO. LIMITED

ARTICLE 8

The Board of Directors shall consist of not more than eleven (11) members. The election of Directors shall take place yearly at the Annual General Meeting of the Company, and all the Directors then in office shall retire, but if otherwise qualified shall be eligible for re-election. At all meetings of the Board of Directors, five (5) Directors shall constitute a quorum. Directors' meetings may be held from time to time without formal notice at any place when all the Directors are present, or if those absent have signified their assent in writing to such meeting. Directors' meetings may be formally called at any time by the President or Chairman of the Board. Notice of such meeting shall be delivered or mailed to each Director not less than (10) days before the meeting is to take place.

The Directors shall have the management and control of the affairs, business, stock, property and concerns of the corporation, and shall employ such agents and employees as they deem advisable, except as in these By-Laws otherwise provided.

All vacancies which shall occur in the Board of Directors by death, resignation or otherwise between Annual Meetings of the Shareholders shall be filled by a majority vote, by ballot, of the remaining members of the Board as soon as may be deemed advisable, and the person so chosen shall hold the office until the next Annual Meeting, or until a new Board is elected.

The Board of Directors shall meet at such times and places as the President or Chairman of the Board shall appoint.

Notice of any such meeting shall be given in writing by the Secretary to the members of the said Board at least ten (10) days prior to the day fixed for such meeting.

On the written request of four (4) Directors, the Secretary shall call a meeting of the Board and give notice of the meeting as above provided.

Any Director of this Company may be removed during his term of office, with or without cause, by a vote of a majority of the shareholders at any General or Special Meeting of Shareholders.

I hereby certify that the above is a true copy of a By-Law duly passed by the Directors of Benjamin Moore & Co. Limited and confirmed by the Shareholders thereof on the 23rd day of January, 1946.

DATED at Toronto this 30th day of June, 1946.

W. N. MacQUEEN,
Secretary.

NOTICE OF CITATION
IN THE SURROGATE COURT
OF THE COUNTY OF ESSEX

HIS HONOUR A. J. GORDON } Friday the 12th day
Judge. } of July, A.D. 1946.

In the matter of the Estate of GRACE INEZ HANSEL,
late of the City of Windsor in the County of Essex,
Married Woman, deceased.

Upon the application of Albemy J. Janisse and Son,
upon reading the affidavits of Reginald James Lamon
and Claude A. Hansel filed and upon hearing what was
alleged by counsel for the applicant,

It is ordered that service upon James Thomas
Dayus of the citation herein dated the 24th day of
June, 1946, by publishing this order together with said
citation once in the Windsor Daily Star, a newspaper
published at the City of Windsor in the County of

Essex and once in THE ONTARIO GAZETTE be deemed
good and sufficient service of the said citation upon
said James Thomas Dayus.

A. J. GORDON,
Judge.

CITATION

WHEREAS Grace Inez Hansel, late of the City
of Windsor in the County of Essex, Married Woman,
died on or about the 20th day of April, 1945, having
made her last Will and Testament dated the 5th day
of February, 1941 and having appointed Rodella
Morris of the said City of Windsor, nurse, and James
Thomas Dayus of said City of Windsor, bookkeeper,
the executors thereof,

1. IT IS ORDERED that the said Rodella Morris
and James Thomas Dayus do within 20 days after the
service hereof upon them accept or refuse probate of
the said Will or show cause why letters of adminis-
tration with the said Will annexed should not be
granted to the Crown Trust and Guarantee Company.

2. AND IT IS ORDERED that in default of said
Rodella Morris and James Thomas Dayus or either
of them accepting and extracting probate of the said
Will within the time above mentioned the said Crown
Trust and Guarantee Company may proceed to obtain
letters of administration with the Will annexed to be
granted to it.

Dated this 24th day of June, A.D. 1946.

A. J. GORDON,
Judge.

Publications Under The Regulations Act, 1944

JULY 20th, 1946

THE FACTORY, SHOP AND OFFICE BUILDING ACT

O. Reg. 80/46.
Replacing and Amending O. Reg. 46/45.
Grain Elevators.
Approved—July 4th, 1946.
Filed—July 8th, 1946, 3.00 p.m.

REGULATIONS MADE UNDER THE FACTORY, SHOP AND OFFICE BUILDING ACT

1. Regulation 1 of Ontario Regulations 46/45 is revoked and the following substituted therefor:

1. This Part shall apply to every factory within the meaning of the Act, except grain elevators.

2. Ontario Regulations 46/45 are amended by adding thereto the following Part:

PART V

GRAIN ELEVATORS

APPLICATION

40. This Part shall apply to grain elevators only.

INTERPRETATION

41. In this Part,—

- (a) "elevator" shall mean any premises or structure used for the storage or handling of bulk grain and which has a total storage capacity of not less than 125,000 bushels;
- (b) "gallery" shall mean that portion of an elevator above ground level, which connects two or more buildings;
- (c) "marine tower" shall mean that portion of an elevator, either stationary or portable used for the receiving of grain;
- (d) "storage building" shall mean that portion of an elevator used for the storage of grain;
- (e) "suitable" shall mean suitable to the Chief Inspector;
- (f) "tunnel" shall mean that portion of an elevator, at or below ground level, which connects two or more buildings; and
- (g) "work-house" shall mean that portion of an elevator used for the receiving, weighing, cleaning and shipping of grain.

APPLICATION OF REGULATIONS

42.—(1) Regulations 43 to 50, 52 (1) and (2), 57, 58, 59 (1) and (2), 61 and 66 shall not apply to an elevator heretofore erected.

(2) Regulations 53 (3), 59 (4), 84, 88, 89 (2), 90 (4), 91 to 99, 101, 102 and 103 shall not apply to an owner who is not an employer.

DESIGN OF STRUCTURE

CONSTRUCTION

43.—(1) Elevators shall be constructed of non-combustible materials.

(2) Where combustible materials other than grain, belts or railway cars are present in the building in quantity sufficient to produce a serious fire, and where sprinklers are not installed, all structural steel shall be encased in non-combustible materials.

SURFACES AND LEDGES

44.—(1) Interior surfaces, including the inside of bins and garner, shall be as smooth as practicable.

(2) Surfaces inaccessible to cleaning, and pockets and ledges shall be minimized.

(3) Such surfaces as must necessarily exist shall be inclined from the horizontal as steeply as practicable.

WALLS

45.—(1) Exterior walls above or below the bins or tanks in the work-house or storage buildings, and the walls of belt-conveyor galleries and track sheds shall be so designed and constructed as to provide explosion venting-areas either through the use of large window areas or other suitable means.

(2) A minimum of one square foot of explosion venting-area shall be provided for every 80 cubic feet of air volume of working floors.

(3) The explosion venting-area for basements shall be that set out in subregulation 2 unless the structural stability of the elevator would be endangered thereby, in which case the explosion venting-area shall be the maximum that is practicable.

(4) Wired glass may be used only as protection against exposure, and, in such cases where it is included in explosion venting-areas, explosion type hardware shall be used.

TRACK SHED

46.—(1) Track shed for loading or un-loading of cars shall be separated from the elevator by a tight non-combustible partition or by sufficient clear space to exclude dust from elevator.

(2) Windows in the partition shall be stationary and doors self-closing.

LOCATIONS

47. The various buildings and sections of the elevator shall be as distantly separated from one another as practicable and the distances shall be subject to the approval of the Chief Inspector.

COMMUNICATIONS

48.—(1) Where belt-conveyor galleries or tunnels connect main sections of the elevator, a tight non-combustible partition shall be provided.

(2) Belt openings in the partitions shall be as small as practicable and shall be equipped with a vertical automatic fire-door with roller at bottom, closing down on belt.

(3) Doors in the partitions shall be self-closing hinged fire-doors.

BINS AND TANKS

49.—(1) Bins, tanks and interspaces shall be covered with a bin floor of non-combustible construction.

(2) Man-holes in storage-building bin floors for access to bins shall be not less than 24 inches in least dimension.

BASEMENTS, TUNNELS AND GALLERIES

50.—(1) Exterior walls of basements and tunnels shall have as much provision for natural light and ventilation as practicable.

(2) Tunnels and galleries shall be of such width and height as to afford easy access for sweeping on both sides of and under each belt.

SHAFTWAYS AND EXITS

51.—(1) Stairways required for exit purposes and passenger elevators shall be in shaftways enclosed with non-combustible materials.

(2) Stairways and passenger elevators in marine towers need not be enclosed between the dock and bin floor levels.

(3) Openings to stairways shall have self-closing fire-doors hinged to open in the direction of exit travel.

(4) Openings in elevator shaftways shall be protected by self-closing fire-doors.

(5) Where practicable, the stairs from basement to the working or first floor shall not be continuous with the stairs from the first floor to the floors above.

(6) At least two means of direct exit, as remote from one another as practicable, shall be provided from every working floor and the basement.

(7) More than two means of exit shall be provided,—

(a) where the maximum distance to reach an exit from any point in,—

(i) a work-house; or

(ii) an unsprinklered storage building of combustible construction

is greater than 100 feet; and

(b) where the maximum distance to reach an exit from any point in any other storage building is greater than 200 feet.

(8) The means of exit from the work-house shall consist of at least one tower-stairway enclosed with non-combustible materials and,—

(a) at least one additional tower-stairway;

(b) at least one steel fire-escape on the exterior wall of the building; or

(c) horizontal passage-ways equipped with fire-doors leading to adjoining buildings.

VENTILATION

WINDOWS

52.—(1) Buildings and operating rooms shall be provided with window-ventilating area in the ratio of one or more square feet for every 160 cubic feet of room volume, except in basements where the window-ventilating area shall be 50 or more per cent of the explosion venting-area.

(2) Window ventilators shall be,—

(a) easily accessible for operation;

(b) arranged to provide for maximum ventilation when open; and

(c) of the pivoted or projected type.

(3) Ventilation by mechanical means shall be used in elevator buildings heretofore erected which do not conform to requirements of subregulations 1 and 2.

BASEMENTS

53.—(1) Rooms and areas in basements, tunnels and space around track hoppers shall be well ventilated by windows, louvers or mechanical means.

(2) Permanent openings in basements for admission of air from the outside to supply mechanical means of ventilation shall be provided.

(3) During periods of operation sufficient windows and exterior doors shall be open to provide adequate ventilation.

ROOFS

54. Where no mechanical means of ventilation is used, the roofs of track sheds, cupolas, galleries and tunnels shall be provided with monitors or other ventilators which, in conjunction with windows, provide frequent change of air.

VENTING OF BINS AND TANKS

55.—(1) Each bin or tank and interspace, enclosed at the top, shall be provided with adequate positive air-aspiration or shall be separately vented to the outdoors.

(2) Where vents are used, each vent shall be equivalent in area to a round opening not less than 12 inches in diameter, and the stack shall be equipped with a suitable outside ventilator.

(3) Stacks shall be vertical where practicable, but may be inclined not more than 45 degrees from the vertical, and two or more stacks may be connected to a common header stack.

EQUIPMENT

ELEVATOR LEGS

56.—(1) Elevator legs shall be enclosed in separate casings for both up- and down-legs, except where running through a beltway between bins.

(2) The beltway shall be tightly closed at the top and bottom and shall be hopped to prevent accumulation of dust.

(3) Heads shall be hopped to the down- or up-leg but not to both.

(4) Leg casings and connecting spouts and doors or other openings into them shall be dust-tight.

(5) No wood or wood-rim pulleys shall be used.

(6) Boots shall be above the floor; but where now in pits they shall be accessible by a permanent iron-ladder and be well-lighted without the use of extension lamps, and ample room shall be provided for cleaning and oiling.

(7) Boots shall be so constructed as to minimize the possibility of chokes.

(8) Where grain is delivered to a boot by a conveyor belt, the belt shall be equipped with an automatic mechanical or electrical device that will stop the belt or notify the operator when the leg stops.

POWER

57.—(1) Motors shall be large enough to elevate the maximum amount of grain that can be delivered by the largest single tributary spout or conveyor.

(2) Motors shall be equipped with overload and no-voltage protective devices.

(3) Where grain is delivered to a boot by a conveyor belt, the conveyor-belt motor shall be interlocked with the leg motor in such a manner that the conveyor-belt motor shall be automatically stopped when the leg motor is stopped.

BACKSTOPS

58. Elevator legs shall be equipped with special automatic backstops.

INDIVIDUAL DRIVE

59.—(1) All elevator legs, conveyors, machines and carpullers shall have individual electric motor drives, except where batteries of cleaning machines or one or more conveyors are used at the same time.

(2) A single electric motor may be used to drive the machines with the line shaft or gear transmission.

(3) The elevator plants heretofore erected, conveyors, machines and carpullers shall have individual connections through clutches to lineshafts as far as practicable.

(4) Elevator machinery shall not be run idle.

CLEANERS

60. Cleaning or other grain-processing machinery hereafter installed in non-combustible elevators shall be of non-combustible construction.

SPACE UNDER MACHINES

61. Cleaners and similar machines shall be set at least 8 inches above the floor.

MAGNETIC OR PNEUMATIC SEPARATORS

62. Magnetic or pneumatic self-cleaning separators shall be provided ahead of all shellers, crackers, crushers and grinding machinery.

FRICTION CLUTCHES

63. Friction clutches hereafter installed shall be constructed entirely of non-combustible material.

SCREW CONVEYORS

64. Screw conveyors shall be fully enclosed in tight substantial metal housings, with free-lifting covers at discharge and over each shaft coupling.

BEARINGS

65.—(1) Bearings hereafter installed for shafts in elevator machinery running 250 revolutions or more per minute shall be equipped with ball- or roller-bearings.

(2) Bearings shall be provided with dust caps or other tight closure of all lubrication inlets.

SPACE UNDER CONVEYORS

66. There shall be at least 6 inches clear space under rollers supporting conveyor belts.

NON-CHOKING DEVICES

67. A garner shall be equipped with a reliable "tell-tale" or other device to guard against overfilling.

SPOUTS AND THROW OF GRAIN IN THE OPEN

68.—(1) Spouts shall be stationary where feasible.

(2) Portable and movable enclosed spouts are permitted in a working floor, bin- or distributing-floor.

(3) There shall be no throw of grain in the open for considerable distances not confined in spouts, except where grain is discharged inside bins or tanks.

GRAIN SPOUTS INTO BINS OR TANKS

69. Spouts introducing grain into a bin or tank shall be arranged to prevent the grain stream from striking the side of the bin or tank.

GRAIN DRIERS

LOCATION AND TYPE

70.—(1) Driers hereafter installed shall be separated from each other by dust-tight partitions located in a fire-resistive room or rooms as far removed from elevator or tanks as practicable.

(2) Driers hereafter installed shall be of the dust-collecting type with the dust removed by the elevator dust-collection system.

AIR INTAKES AND OUTLETS

71. Air intakes and outlets, where considered necessary by the Chief Inspector, shall be protected by substantial corrosion-resistive wire screens not exceeding one-third inch mesh.

GARNERS AND HOPPERS

72.—(1) Every garner, hopper or bin over drier or under cooling section shall be dust-tight and provided with adequate positive air-aspiration or effective vents to outside.

(2) Where grain is brought to a drier by a belt, the belt shall not enter the garner but shall discharge into spout or aperture in the closed top of the garner.

(3) No special ventilation is required for a hopper open to a cooler which is under suction.

TOP OF DRIER

73. The top of drier, where practicable, shall be open so that there is no surface on which dust may lodge, and to provide access for cleaning out refuse which may lodge on duct; but if closed, the top shall be inclined at a steep angle, or the hopper from the garner shall be the same size and shape as the top of the drier.

FLOORS

74.—(1) Where floors or runways around drier and cooler are necessary, gratings shall be used.

(2) Where air separation is necessary between drier and cooler, or elsewhere, dust hoppers shall be installed under the grating floor, and the hoppers shall be connected at bottom to dust-collecting system.

(3) Solid floors may be used if all air is drawn from drier and cooler through continuous ducts to fan and blown to dust-settling chamber with hopper bottom connected with dust-collecting system.

STEAM COILS

75.—(1) Steam coils shall be so designed, installed and arranged that dust does not lodge on coils, headers or elsewhere in casing containing them.

(2) Coil room shall be separated by dust-tight partitions and floors from drying section and all other parts of drier-house.

DIRECT HEAT DRIERS

76.—(1) The furnace shall be located in a fire-resistant room or division separated from drier and elevator by masonry walls with no communication to drier except duct for products of combustion.

(2) Driers shall be equipped with,—

(a) a reliable automatic device for regulating temperature in them; and

(b) a separate and independent automatic device which shall effectively and reliably prevent the temperature from rising to a dangerous point.

(3) Baffles or other effective device shall be provided to prevent sparks from entering the drier along with the products of combustion.

DUST CONTROL SYSTEMS

HEADS, BOOTS, GARNERS AND SCALES

77.—(1) Heads, boots and garners shall be dust-tight and provided with adequate positive air-aspiration or effective vents to outside.

(2) Scale hoppers shall be enclosed around the top between the scale hopper and the garner bottom, and shall be provided with effective vent to outside or into the garner.

BINS

78.—(1) Enclosed bins shall be provided with positive air-aspiration or effective vents to outside.

(2) Separate suction connections or vents on enclosed bins are not required where tripper discharge spout suctions are so arranged as to provide relief for pressures developed in bins by discharge of grain.

BELT LOADERS

79. Places where grain is discharged onto belts shall be provided with adequate positive air-aspiration.

BELT DISCHARGES AND TRIPPERS

80.—(1) Places where belts discharge grain or re-load grain shall be provided with adequate positive air-aspiration above and below the grain stream.

(2) Trippers shall be equipped with adequate positive air-aspiration so arranged that connection can be made readily to trunk suction pipe.

MACHINES AND DISTRIBUTING SPOUTS

81. Cleaning and similar machines and distributing spouts which liberate an appreciable amount of dust shall be provided with adequate positive air-aspiration.

CONVEYOR GALLERIES

82. Where grain is discharged from a belt or is transferred from one belt to another in a conveyor gallery at a distance of 100 feet or more from any elevator building and where the gallery is adequately ventilated by windows, the provisions of regulations 79 and 80 shall not apply.

CAR LOADING AND UN-LOADING

83.—(1) The dust liberated by car loading shall be controlled by enclosing the car-door opening around the car spout with an adjustable hood, and by applying adequate positive air-aspiration to the hood, or by other as effective means.

(2) Dust liberated by car unloading, especially where car dumpers are used, shall be controlled by enclosing as much of the top and bottom of the track hoppers as practicable, and by applying adequate posi-

tive air-aspiration to the enclosures, or by other as effective means.

SWEEPING

84.—(1) Dust on floors, machinery and other surfaces, including all galleries and tunnels, shall be removed daily by sweeping with suitable hair or soft-fibre push-brooms or by vacuum sweeping equipment

(2) As many sweepers shall be so employed as are necessary to keep the building clean.

(3) Spills and chokes shall be cleaned up daily.

(4) General cleaning shall not be done with compressed air.

FLOOR SWEEPS

85. Floor sweeps connected to the dust-collecting system shall be located at convenient points throughout the building to facilitate the disposal of floor sweepings.

DUST CONTROL AND DISPOSAL

86.—(1) The entire dust control system shall be designed and installed in accordance with recognized engineering practice effectively to prevent dust from entering the atmosphere in the elevator and to avoid the pick-up of solid grain.

(2) Dust and air in the system shall be discharged to dust collectors and the discharge of air from the dust collectors shall be to the outdoors.

(3) Collected dust shall be removed from the dust collectors by suction and discharged through a dust collector to a suitable outside bin, to a boiler-room or to a suitable refuse-screening bin.

(4) No dust shall be returned to the grain stream from a dust collector except at the car loading spouts, and above the bottom of the track hoppers.

(5) There shall be no direct open connection between dust collectors and boiler-room or incinerators.

ELECTRIC EQUIPMENT

WIRING AND EQUIPMENT

87.—(1) Electric wiring, electric installation, electric apparatus, electric appliances and equipment shall conform to *The Power Commission Act* and the regulations made thereunder.

(2) Offices and similar locations, so segregated as to be deemed free from dust by an inspector of The Hydro-Electric Power Commission of Ontario, may be classed as non-hazardous under the regulations referred to in subregulation 1.

BIN LIGHTS

88. Portable spot lights of approved design shall be used for bin examination by directing the beam through the man-hole opening; but where it is not practicable to use the spot lights portable lamps provided with approved dust-tight globes properly protected against mechanical injury shall be used.

LIGHTING

89.—(1) Lighting installations shall be of types for use in atmospheres containing grain dust.

(2) A watchman shall use only an electric lantern or flash light where the general lighting system is not in use or where a separate lighting circuit on each floor is not provided for his use.

MISCELLANEOUS

HEATING

90.—(1) Every boiler-room shall be fully enclosed with suitable non-combustible materials.

(2) The boiler-room of an elevator hereafter erected shall have no openings between it and any working floor of the elevator, except those required for the transmission of power, electricity, heat, and water.

(3) Every boiler-room heretofore erected shall have a self-closing metal fire-door on every doorway opening into any working floor of the elevator.

(4) Radiators, steam-pipes and electric heating appliances shall be kept free from all combustible material.

STEAM LOCOMOTIVES

91. Steam locomotives shall not be permitted to enter elevators or track-sheds with receiving hoppers.

INSECT CONTROL

92. Processes and materials used for the control of mites or other insects or pests shall not endanger the safety of employees through fire hazard.

SMOKING

93.—(1) Smoking is prohibited in every elevator except in a designated fire-proof room having no direct inter-communication with any working floor in the elevator.

(2) The room shall be equipped with electric lighting devices.

(3) Signs prohibiting smoking shall be posted in conspicuous places throughout the elevator buildings.

(4) No person in an elevator shall carry or have upon his person matches, cigarette lighters, or contrivances or devices for lighting.

(5) Each elevator shall be provided at its employees' entrance with two covered fire-proof receptacles, one for matches and the other for cigar- and cigarette-butts and pipe contents.

(6) Each receptacle shall be plainly labelled to show the purpose for which it is provided.

(7) No person shall enter the elevator without first depositing in the receptacle all the materials mentioned in subregulation 5.

OPEN FLAMES

94. Open flames or welding operations are prohibited in an elevator unless all machinery is shut down and the atmosphere and all adjacent surfaces freed of combustible dust.

WASTE CANS

95. Metal waste cans with self-closing covers shall be provided on each floor of the elevator containing machinery for oily waste or other rubbish and the cans shall be emptied daily.

LOCKERS

96. Workmen's clothing shall be kept in suitable metal lockers in a fire-resistive room reasonably free from dust or in a separate building.

EATING ROOMS

97. An eating room shall be provided for the use of the employees and shall have a satisfactory dust-tight partition between it and the working areas or be

in a separate building; but if located in the elevator, exits leading directly to the outdoors shall be provided.

OILS

98.—(1) Main storage of lubricating oil and grease shall be outside the elevator building.

(2) Storage of lubricating oil and grease in the building shall be limited to a maximum of 5 barrels and shall be in an oil room constructed of non-combustible materials.

MISCELLANEOUS STORAGE

99. There shall be no storage within the elevator of,—

(a) sacks, sacked grain, sacked screenings or other combustible merchandise; or

(b) materials, machinery, parts and supplies.

LIGHTNING PROTECTION

100. All combustible elevators shall be equipped with lightning protection in accordance with *The Lightning Rod Act*.

STATIC ELECTRICITY

101.—(1) Where tests indicate the presence of static electricity accumulations, the electricity shall be removed by permanent ground wires, metal combs and other effective means.

(2) The grounding circuit shall have a resistance of 25 ohms or less.

(3) Static grounds shall not be made to electric conduit systems, gas or steam pipes, dry-pipe sprinkler or steam-pipe systems or lightning rods.

FIRE PROTECTION

PORTABLE EXTINGUISHING EQUIPMENT

102.—(1) Five-gallon water-pump tank extinguishers shall be provided on each floor so that one is within 100 feet of every point of that floor.

(2) At least one of the extinguishers shall be in the track-shed and one in each of the main office and boiler-room.

(3) Extinguishers exposed to frost shall be protected against freezing and equipped with a special nozzle or other device to convert the discharge stream into fog or spray.

(4) One 1-quart vaporizing-liquid extinguisher or one carbon dioxide extinguisher shall be provided,—

(a) in each room where electrical panel-boards, compensators, circuit-breakers, electric switches or motors are installed; and

(b) within 50 feet of each motor or other electrical equipment installed elsewhere in the building.

(5) There shall be installed in each storage room or building,—

(a) one 15-pound carbon dioxide extinguisher;

(b) one 2-quart pressure-type vaporizing-liquid extinguisher; or

(c) one 2½-gallon foam-type extinguisher protected against freezing.

(6) Extinguishers exposed to dusty atmospheres shall be enclosed in dust-tight cabinets with a glass front suitably marked or otherwise protected against dust or damage.

WATCHMAN

103. Every elevator shall be patrolled by a watchman and in combustible elevators he shall record his patrol by a time-recording device.

STAND-PIPES AND HOSE

104.—(1) Work-houses shall be provided with 4-inch stand-pipes in sufficient number and so distributed that any fire in the work-house can be effectively reached with water from 100-foot lays of 1½-inch rubber-lined hose which shall be attached to the stand-pipes on each floor and fitted with nozzles of a type that delivers a spray or fog.

(2) In combustible elevators the stand-pipe system shall be extended to give equivalent protection to all sections in addition to the work-house.

(3) Stand-pipes, unless protected from freezing, shall be of the dry type, and the main shut-off valve, if subject to water pressure on the supply side, shall be so installed that it can be opened quickly in an emergency.

(4) Provision shall be made whereby adequate pressure may be supplied to the stand-pipes by means of fire-department connections for pumpers or a stationary pump installed in a pump-house outside the main elevator building.

(5) Where more than one stand-pipe is supplied with pressure from the same booster connection, each stand-pipe shall be equipped with a separate shut-off valve, normally sealed open, on the discharge side of the interconnection and located where it permits the most convenient closing of the valve in the event of a rupture of the stand-pipe during a fire or explosion.

(6) Hose and nozzles shall be protected from dust and moisture.

GENERAL

105. Buildings, equipment and machinery shall be maintained in good working condition and repair.

THE INDUSTRIAL STANDARDS ACT

O. Reg. 81/46.
Replacing O. Reg. 111/44.
Barbering Industry—Gananoque zone.
Approved—July 4th, 1946.
Filed—July 8th, 1946, 3.15 p.m.

Order-in-Council approved by The Honourable the Lieutenant-Governor, dated the 4th day of July, A.D. 1946.

WHEREAS under *The Industrial Standards Act* the Minister has designated all work usually done by barbers as the BARBERING INDUSTRY for the purposes of the Act:

AND WHEREAS the Minister has designated the Town of Gananoque as a zone for the industry to be known hereafter as the GANANOQUE ZONE:

AND WHEREAS a petition from representatives of employers and employees in the industry within the Gananoque Zone was received by the Minister, who thereupon authorized an industrial standards officer to convene a conference of the employers and employees in the industry in accordance with and for the purposes of section 6 of the Act:

AND WHEREAS the conference was duly held and has submitted to the Minister in writing a schedule under section 7 of the Act:

AND WHEREAS the schedule has been approved by The Industry and Labour Board in writing:

AND WHEREAS the schedule has been approved by the Minister of Labour who is of the opinion that it has been agreed to by a proper and sufficient representation of the employers and employees engaged in the industry, within the zone:

Upon the recommendation of the Honourable the Minister of Labour, the Committee of Council advise that your Honour declare the schedule, appended hereto shall be in force during pleasure within the zone and shall be binding upon the employers and employees in the industry referred to in the schedule.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether the provisions contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred

to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

SCHEDULE II.

(b) title.

2. Explain the difference between a broker and a salesman. What may a broker do that a salesman may not do?
3. When did *The Real Estate and Business Brokers Act, 1946*, come into force?
4. Under the Act may a person or corporation sell businesses without a licence?
5. For offences against the Act what is the maximum penalty?
6. May a broker or salesman promise or guarantee,—
(a) that he will re-sell property offered by him for sale;
(b) that he will sell the purchaser's own property; or
(c) that he will obtain for the purchaser a mortgage, extension of mortgage, lease or extension of lease?
7. May a broker or salesman continue in business after March 31st of any year if he has not renewed registration?
8. May a registered broker or salesman pay a commission to a person or corporation not registered?
9. May a salesman trade with or through the office of a broker other than his employer?
10. May he trade as an agent on his own behalf?
11. Under what circumstances only may a registered broker or salesman buy for himself, or option to himself, property or business listed with him for sale?
12. Is a registered broker or salesman required to notify the Registrar immediately of change of address?
13. May a registered broker trade in real estate under any other name other than that which appears on his licence?
14. What information must a broker keep in his books of account? Be specific.
15. Under *The Real Estate and Business Brokers Act, 1946*, may a broker enter suit for collection of a commission with relation to sale of real estate if he has not obtained a signed agreement to pay commission?
16. Is it necessary in case of a married man selling real property registered in his name, to have his wife sign the contract? Why?
17. Has the Registrar the right to examine books and records of licensees?
18. Is it compulsory that a broker or salesman give forthwith to a vendor signing a listing agreement, a true copy thereof?
19. Is it compulsory that a broker or salesman deliver to both purchaser and vendor, or to their designated legal representatives, an original or a true copy of an accepted offer to purchase.
20. Are deposits received by a registered broker or salesman trust funds? Where must such funds be placed, pending lawful disbursement by the broker?
21. What is the annual rate of interest on a \$5,000. loan when the quarterly interest payments are \$68.75?
22. What is the amount of commission due a salesman on a \$7,000. sale where the broker receives 3½% commission, and the salesman 55% of the broker's commission?

23. The owner employs a registered broker to sell his farm, and gives an agreement in writing to pay to the broker a commission of 5% of the selling price.

There is a mortgage on the farm dated June 1st, 1941, in the amount of \$2,000., bearing interest at 6% per annum, which mortgage in its status as at the closing date the purchaser is assuming.

Two instalments,—the purchaser finds—each in the amount of \$250.00, have been paid off the principal.

The interest on the mortgage has been paid by the vendor to June 1st, 1943.

The broker secures a purchaser and the vendor agrees to sell for \$3,500. The date of closing is June 30th, 1943.

- (a) What is the amount of commission, in dollars, due the broker?
- (b) What is the amount of interest owing to the purchaser by the vendor as at the date of closing?
- (c) Assuming that the vendor has paid the annual taxes of \$110.00 in full for the year ending December 31st, 1943, and that there were no arrears in taxes, what is the amount of adjustment or allowance with relation to taxes due to the vendor by the purchaser as at the date of closing?

THE CHEESE AND HOG SUBSIDY ACT, 1946

O. Reg. 87/46.
 General.
 New.
 Approved—July 9th, 1946.
 Filed—July 13th, 1946, 10.00 a.m.

REGULATIONS MADE UNDER THE CHEESE AND HOG SUBSIDY ACT, 1941, AS CONTINUED IN FORCE BY THE CHEESE AND HOG SUBSIDY ACT, 1946

PART I

HOG SUBSIDY

INTERPRETATION

1. In this Part,—

- (a) "Commissioner" shall mean Live Stock Commissioner appointed under *The Department of Agriculture Act*.
- (b) "Grade A" shall mean the grade of carcass of any hog which has been graded as Grade A, Class 1, as defined in the regulations made under *The Live Stock and Live Stock Products Act, 1939 (Canada)*;
- (c) "Grade B1" shall mean the grade of the carcass of any hog which has been graded as Grade B, Class 1, as defined in the regulations made under *The Live Stock and Live Stock Products Act, 1939 (Canada)*; and
- (d) "regular trade channels" shall mean a packing plant or abattoir where the carcasses of hogs are graded by graders appointed under *The Live Stock and Live Stock Products Act, 1939 (Canada)*.

2. The amount of the subsidy, to be computed from the 1st day of April, 1946, and paid out of the Consolidated Revenue Fund to every person who produces hogs in Ontario and sells them through regular trade channel to be processed is fixed at,—

- (a) one dollar for every hog the carcass of which has been graded as Grade A; and
- (b) fifty cents for every hog the carcass of which has been graded as Grade B1.

3.—(1) Subsidy payments shall, upon receipt from the Dominion Department of Agriculture of a certificate stating the amount that has been paid by the Dominion Government on behalf of Ontario to producers of hogs in payment of the subsidy payable under

the Act, be paid to the Dominion Department of Agriculture to reimburse that Department for the moneys so paid.

(2) The certificate received from the Dominion Department of Agriculture shall be certified by the Chief Treasury Officer and the Deputy Minister of the Dominion Department of Agriculture or other authorized officials and shall state the amount of subsidy that has been paid for Grade A hogs and for Grade B1 hogs.

4. Any subsidy payable to any person who fails to comply with the Act or these regulations may be withheld.

5. Officers of the Ontario Department of Agriculture and the graders appointed under *The Live Stock and Live Stock Products Act, 1939* (Canada) shall when authorized in writing by the Commissioner have authority to inspect or audit the books and records of persons engaged in the business of processing hogs.

PART II

CHEESE SUBSIDY

INTERPRETATION

6. In this Part,—

- (a) "Director" shall mean Director of Dairying appointed under *The Dairy Products Act, 1938*; and
- (b) "net weight" shall mean the weight of the cheese as paid for by the purchaser.

7. The amount of the subsidy, to be computed from the 1st day of June, 1946, and paid out of the Consolidated Revenue Fund to every person who produces milk in Ontario which is subsequently processed into cheese is fixed at two cents for each pound of cheese processed from such milk.

8.—(1) Every application for a subsidy shall be made in triplicate in writing.

(2) One copy of the application shall be kept on file by the factory and the other two copies shall be forwarded to the Cheese Subsidy Division, Department of Agriculture, Parliament Buildings, Toronto, Ontario.

9. In every application the period for which a subsidy is claimed shall correspond with the payment period for which producers are paid for milk and the application shall state the correct net weight of the cheese.

10. Every application for a subsidy shall be accompanied by invoices or statements received from each purchaser showing the net weight of cheese paid for by the purchaser and the application shall include a statement of any cheese made for sale to patrons of the factory.

11.—(1) Applications for subsidies shall be sent to the Cheese Subsidy Division at least once a month.

(2) Subsidies which are payable to producers who have supplied milk to a cheese factory shall be paid to the factory as agent for the Treasurer of Ontario and pro-rated by the factory to the producers entitled to receive subsidies on the basis of the butter-fat content of the milk.

(3) The cheese factories shall pro-rate the moneys received from the subsidies to producers who have supplied milk to the factories before the expiration of one month from the date of receiving the moneys.

(4) The payment of the subsidy shall be based on the net weight of the cheese.

12. Every person engaged in the business of processing milk into cheese shall furnish information in respect to the milk or cheese and shall produce his books and records for the purpose of inspection or audit.

13. The Director and every officer under *The Dairy Products Act, 1938*, who has been authorized in writing by the Director, shall have authority to inspect or audit the books and records of cheese factories.

14. Where an error is made by a cheese factory in the pro-rating of the subsidy to any producer the factory shall correct the error in the manner and within the time specified by the Director.

15. Any subsidy payable to any person who fails to comply with any provision of the Act or these regulations may be withheld.

16. Every cheese factory shall give a statement to each producer for each payment period which statement shall include particulars of the amount of the cheese subsidy received from the Treasurer of Ontario to be paid to the producer.

REGULATIONS MADE UNDER THE FOREST FIRES PREVENTION ACT

PART 1

GENERAL REGULATIONS

FIRE PERMITS

1. Any person may set and use fire in a fire district during the close season where he has obtained a fire permit and is using the fire in accordance with the provisions and conditions of the permit for,—

- (a) clearing land;
- (b) disposal of debris or other inflammable waste; or
- (c) industrial purposes.

2. Every permit shall be issued subject to the following conditions,—

- (a) all material to be burned shall be piled in heaps or rows at a distance of at least fifty feet from any uncleared land;
- (b) the fire shall be guarded by the permittee until completely extinguished;
- (c) no fire shall be set or allowed to burn during a high wind;
- (d) no fire shall be set unless the permittee shall have at the location of the fire sufficient men and fire-fighting equipment to prevent the escape of the fire; and
- (e) the permit may be cancelled by any officer or agent authorized to issue permits.

3. Fire permits shall be in Form 1 of Schedule 1.

4.—(1) An officer or agent may enter upon the lands of any individual or corporation for the purpose of removing, destroying or disposing of any inflammable substances.

(2) The cost of such work shall be borne by such individual or corporation, and be recoverable by action at the suit of the Minister.

5. The cost of any work done under the authority of this Act by any officer or agent shall be recoverable by action at the suit of the Minister.

6. Every person who sets a fire out of doors for cooking or obtaining warmth shall select a place as free from inflammable material as possible and shall exercise and observe every reasonable precaution to prevent the fire from spreading and thoroughly extinguish the fire before quitting the place.

REVOCATION

7. Ontario Regulations 259/44, 279/44, 45/45 and 87/45 are revoked.

PART 2

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

TREASURER'S SALE OF LANDS FOR TAXES

CORPORATION OF THE TOWNSHIP OF DARLINGTON

To Wit:

BY VIRTUE OF WARRANT issued under the hand of the Reeve and the Seal of the Township of Darlington, bearing the date the 4th day of May, 1946, and to me directed, commanding me to levy upon the lands mentioned in the following list for the arrears of taxes due thereon, and the costs as herein set forth, I hereby give notice that, unless the said arrears and costs are sooner paid, I shall proceed to sell the said lands or so much thereof as may be necessary to settle the aforesaid arrears of taxes and other charges thereon, at my office, in the Township Hall, in the Village of Hampton, by public auction, on 5th day of November, 1946, beginning at 10 o'clock in the forenoon and in compliance with The Assessment Act.

AND TAKE FURTHER NOTICE, at the adjourned sale to be held at the same hour on 21st day of November, 1946, if necessary, the Corporation of the Township of Darlington intends to purchase any of the lands offered for sale unless the full amount of all arrears and costs be realized from the sale thereof.

 Replacing O. Reg. 124/44.
 Barbering Industry—Orillia zone.
 Approved—July 16th, 1946.
 Filed—July 19th, 1946, 2.30 p.m.

Order-in-Council approved by The Honourable the Lieutenant-Governor, dated the 16th day of July, A.D. 1946.

WHEREAS under *The Industrial Standards Act* the Minister has designated all work usually done by barbers as the BARBERING INDUSTRY for the purposes of the Act:

AND WHEREAS the Minister has designated the Town of Orillia as a zone for the industry to be known hereafter as the ORILLIA ZONE:

AND WHEREAS a petition from representatives of employers and employees in the industry within the Orillia Zone was received by the Minister, who thereupon authorized an industrial standards officer to convene a conference of the employers and employees in the industry in accordance with and for the purposes of section 6 of the Act:

AND WHEREAS the conference was duly held and has submitted to the Minister in writing a schedule under section 7 of the Act:

AND WHEREAS the schedule has been approved by The Industry and Labour Board in writing:

AND WHEREAS the schedule has been approved by the Minister of Labour who is of the opinion that it has been agreed to by a proper and sufficient representation of the employers and employees engaged in the industry, within the zone;

Upon the recommendation of the Honourable the Minister of Labour, the Committee of Council advise that your Honour declare the schedule, appended hereto shall be in force during pleasure within the zone and shall be binding upon the employers and employees in the industry referred to in the schedule.

SCHEDULE FOR THE BARBERING INDUSTRY IN THE ORILLIA ZONE

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published,

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it,

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

THE INDUSTRIAL STANDARDS ACT

O. Reg. 96/46.

New.

Carpentry Industry—Orillia Zone.

Approved—August 6th, 1946.

Filed—August 12th, 1946, 3.25 p.m.

Order-in-Council approved by The Honourable the Administrator of the Government of the Province of Ontario, dated the 6th day of August, A.D. 1946.

WHEREAS under *The Industrial Standards Act* the Minister has designated all work usually performed by carpenters and joiners in connection with the construction, erection, repair, remodelling or alteration of the whole or a part of a building or structure except maintenance repairs to the buildings and premises used in the operation of a manufacturing, industrial or service institution, including the minor installations or alterations incidental to the maintenance of the buildings and premises, where performed by the regular employees of the manufacturing, industrial or service institution, as the CARPENTRY INDUSTRY for the purposes of the Act:

AND WHEREAS the Minister has designated the Town of Orillia and the suburban area adjacent thereto and lying within lines drawn as follows:

- (a) commencing at the intersection of the road allowance between the North and South Divisions of Orillia Township in the County of Simcoe with the western shore of Lake Couchiching, thence southwesterly along the said road allowance, to and extending southeasterly along the line between Orillia Township South Division and the Township of Oro, to and extending southeasterly and southwesterly along the shore of Carthew Bay of Lake Simcoe, to and extending in a general northerly direction along the shore of Lake Simcoe, to and extending norther-

ly along the western shore of the narrows between Lake Simcoe and Lake Couchiching, to and extending westerly and northeasterly along the shore of Lake Couchiching to the place of commencement; and

- (b) commencing at the intersection of the road allowance between Concessions 12 and 13 in the Township of Mara in the County of Ontario with the eastern shore of Lake Couchiching, thence northeasterly along the said road allowance, to and extending southwesterly along the King's Highway No. 69, to and extending southeasterly along the line between Lots 29 and 30, to and extending southwesterly along the road allowance between Concessions 10 and 11, to and extending northerly along the eastern shore of the narrows between Lake Simcoe and Lake Couchiching, to and extending northeasterly along the eastern shore of Lake Couchiching to the place of commencement;

as a zone for the industry to be known hereafter as the ORILLIA ZONE:

AND WHEREAS a petition from representatives of employers and employees in the industry within the Orillia Zone was received by the Minister, who thereupon authorized an industrial standards officer to convene a conference of the employers and employees in the industry in accordance with and for the purposes of section 6 of the Act:

AND WHEREAS the conference was duly held and has submitted to the Minister in writing a schedule under section 7 of the Act:

AND WHEREAS the schedule has been approved by The Industry and Labour Board in writing:

AND WHEREAS the schedule has been approved by the Minister of Labour who is of the opinion that it has been agreed to by a proper and sufficient representation of the employers and employees engaged in the industry, within the zone:

Upon the recommendation of the Honourable the Minister of Labour, the Committee of Council advise that your Honour declare the schedule, appended hereto shall be in force during pleasure within the zone and shall be binding upon the employers and employees in the industry referred to in the schedule.

SCHEDULE FOR THE CARPENTRY INDUSTRY IN THE ORILLIA ZONE

1. No work shall be performed in the carpentry industry except in accordance with this schedule.

HOURS OF WORK

2. The regular working periods for all employees in the carpentry industry shall be as follows:—

- (a) a regular working week consisting of,—

- (i) forty-four hours of employment divided into five and one-half working days during the months of November to March inclusive; and
- (ii) forty-five hours of employment divided into five working days during the months of April to October inclusive. (S. 7, cl. b)

- (b) a regular working day consisting of,—

(i) eight hours of employment to be performed on Monday, Tuesday, Wednesday, Thursday and Friday between the hours of 8 a.m. and 5 p.m. and four hours on Saturday between the hours of 8 a.m. and 12 o'clock noon during the months of November to March inclusive; and

(ii) nine hours of employment to be performed on Monday, Tuesday, Wednesday, Thursday and Friday between the hours of 7 a.m. and 5 p.m. during the months of April to October inclusive. (S. 7, cls. *a* and *d*)

MINIMUM RATE OF WAGES

3.—(1) The minimum rate of wages shall be ninety cents per hour for work performed in the industry,—

- (a) during the regular working periods;
- (b) on night work of not more than eight hours during the months of November to March inclusive, and not more than nine hours during the months of April to October inclusive, where the work is of such a nature that it cannot be done during the regular working day; and
- (c) on Saturday in order to permit the pouring of concrete after 12 o'clock noon during the months of November to March inclusive, and any time on Saturday during the months of April to October inclusive.

(2) The minimum rate established in subsection 1 shall not apply to overtime work. (S. 7, cl. *c*)

SHIFT WORK

4.—(1) Where the work on any project is being carried on in two or more shifts, the employees shall be deemed to be employed during a regular working day, where they work not more than eight hours in any twenty-four hour period during the months of November to March inclusive, and not more than nine hours in any twenty-four hour period during the months of April to October inclusive. (S. 7, cl. *a*)

(2) Employees who are required to work on night shifts shall receive,—

- (a) eight hours regular pay for each seven hours work during the months of November to March inclusive; and
- (b) nine hours regular pay for eight hours work during the months of April to October inclusive. (S. 7, cl. *e*)

(3) In all cases governed by subsections 1 and 2 no overtime work shall be required or permitted. (S. 7, cl. *i*)

(4) Where two or more shifts are worked on the same job, only one of these shifts shall be considered a day shift. (S. 7, cl. *e*)

OVERTIME WORK

5. A person who performs work in the industry except as provided for in sections 1, 2 and 3 shall be deemed to be doing overtime work, and the rate of wages for overtime work shall be one and one-half times the rate established for work performed during the regular working periods, except that the rate of wages for all overtime work in excess of four hours in any one day shall be double the rate established for work performed during the regular working periods. (S. 7, cl. *e*)

6. No work shall be performed in the industry on Sunday, and on the following holidays;—New Year's Day, Good Friday, Dominion Day, Labour Day and Christmas Day, except in cases of extreme necessity where life or property is jeopardized, or except on re-

pairs to buildings where the repair work must be done on those days in order to prevent the loss of employment to those who are regularly employed in the buildings, and all such work shall be deemed to be overtime work, and shall be performed only after obtaining a permit from the advisory committee. (S. 7, cls. *e* and *i*)

ADVISORY COMMITTEE

7. The advisory committee may fix a special rate of wages for an employee who is handicapped. (S. 7, cl. *k*)

QUALIFICATION AND COMMENCEMENT

8. This schedule is subject to *The Hours of Work and Vacations with Pay Act, 1944*.

9. This schedule shall come into force on the tenth day after the publication thereof in THE ONTARIO GAZETTE under *The Regulations Act, 1944*.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

Application to Parliament

Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills.

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill, and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a municipal corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid, shall be passed, and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly, and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk

of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,
Clerk of the Legislative Assembly
of Ontario.

Treasurer's Sale of Lands for Taxes

COUNTY TREASURER'S SALE OF LANDS FOR ARREARS OF TAXES

IN THE COUNTY OF CARLETON

To Wit:

BY VIRTUE OF A WARRANT of the Warden of the County of Carleton, bearing date the 21st day of May, A.D. 1946, and to me directed, for the collection of the arrears of taxes against the lands hereinafter described in the following list hereunto annexed, I hereby give notice that, unless the said arrears of taxes, together with all lawful costs and charges, be sooner paid, I shall, on the 11th day of October, A.D. 1946, at the hour of ten o'clock in the forenoon, Daylight Saving Time, at the Court House, in the City of Ottawa, in the said County of Carleton, proceed to sell by public auction the said lands or as much thereof as may be sufficient to discharge such arrears of taxes and all lawful costs incurred pursuant to the provisions of the Statute in that behalf made and provided. All lots listed are patented.

HONOR COLDREY,
County Treasurer.

BY VIRTUE OF A WARRANT issued under the hand of the Reeve and the Seal of the Township of Stephenson, bearing the date the 10th day of May, 1946, and to me directed commanding me to levy upon the lands mentioned in the following list for arrears of taxes due thereon and the costs as herein set forth, I hereby give notice that unless the said arrears and costs are sooner paid I shall proceed to sell the said lands or so much thereof as may be necessary to settle the aforesaid arrears of taxes and other charges thereon at the Township Hall, Utterson, by Public Auction on Tuesday, the 12th day of November, 1946, beginning at 2 o'clock in the afternoon and in compliance with the Assessment Act.

AND TAKE FURTHER NOTICE at the adjourned sale to be held at the same hour and same place the 19th day of November, 1946 if necessary, the Corporation of the Township of Stephenson intends to purchase any of the lands offered for sale unless the full amount of all arrears and costs be realized from the sale thereon and as per Section 149, Subsection 2, Assessment Act, current taxes will be added the day of sale.

Dated at Utterson, July 8, 1946.

Township of Stephenson,
WM. J. PATTERSON, Treasurer.

TREASURER'S SALE OF LANDS FOR TAXES
CORPORATION OF THE TOWNSHIP OF DARLINGTON

TO WIT:
BY VIRTUE OF WARRANT issued under the hand of the Reeve and the Seal of the Township of Darlington, bearing the date the 4th day of May, 1946, and to me directed, commanding me to levy upon the lands mentioned in the following list for the arrears of taxes due thereon, and the costs as herein set forth, I hereby give notice that, unless the said arrears and costs are sooner paid, I shall proceed to sell the said lands or so much thereof as may be necessary to settle the aforesaid arrears of taxes and other charges thereon, at my office, in the Township Hall, in the Village of Hampton, by public auction, on 5th day of November, 1946, beginning at 10 o'clock in the forenoon and in compliance with The Assessment Act.

AND TAKE FURTHER NOTICE, at the adjourned sale to be held at the same hour on 21st day of November, 1946, if necessary, the Corporation of the Township of Darlington intends to purchase any of the lands offered for sale unless the full amount of all arrears and costs be realized from the sale thereof.

J. D. HOGARTH, Treasurer.
